Mendham, NJ 07945 USA

We have a combined tape list designed to improve your metal tape collection. We trade with as many metallers as possible no matter the size of list. OUR POLICY IS TRADE ONLY!

All trades must be made on TDK or Maxell tapes; since we use these when making your tapes. This assures quality sounding tapes.

The turnaround time for tapes is usually 24 hours as we rush them out to you as soon as they are done.

Noise reduction is NOT used unless specified.

Also, when mailing the tapes, NEVER mail the cassette shell since it is a waste of money.

Our preferences--thrash/speed/black/death metal whether new bands or live shows; Also, Gene is into: Possessed, Death, Sodom, Destruction, Voi Vod, Celtic Frost/Hellhammer, Poison, Mayhem (NY & German), Violent Force, Creator, Iron Angel, Slayer, Hiram, Exodus, old Metallica, old Venom, old Fate (not Hank's version), Dark Angel, etc.
Scott is into same plus punk/hardcore, and his "God" is Dave Mustaine
